HANNAH'S® BRETZEL

über sandwich makers®

IN-STORE MENU

312-621-1111 hannahsbretzel.com

There are sandwiches.

And there are über sandwiches.

There are pesticides and herbicides.

And there is organic.

There is empty, artificial white 'bread'.

And there is whole grain, freshly baked bread.

There is deli ham, **and there is authentic Serrano ham from Spain's finest producers.**

There is flavorless white cheese.

And there is white truffled goat cheese.

There is 'mustard or mayo?'

And there is 'mango chutney or fig spread?'

There is coffee and cream.

And there is organic fair trade coffee served with organic milk.

There are toxic plastic cups and plates.

And there are biodegradable, environmentally responsible ones.

There are bored workers behind the counter.

And there are Hannah's sandwich makers.

Knowledgeable. Educated. And helpful.

Our world view. Our organic ingredients.

Our green practices. Our focus on nutrition. Our passion.

Catered to you. Or in our clean, modern stores.

WE ARE ÜBER SANDWICH MAKERS.
